Dear High Schooler (& your parents),

Thanks for your interest in signing up for the Mexico Mission Trip, on July 20th – July 27<sup>th</sup> 2022! It's going to be a great opportunity to serve, and I am super excited for this trip.

We have 18 student spots for this trip available, so we do an application process. The application is attached, and we will have a selection team of adults from the church to determine the final students going on the trip. We are doing this to ensure that each student has the spiritual maturity to handle a trip full of serving others and growing in their relationship with Christ. I hope you understand why this is so important. We also have planned for a mandatory training time prior to our trip that will help us prepare as a team. I will be contacting you with times after the selection process with your registration packet. Once selected, you will want to apply for your passport, if you don't have one yet, asap as they can take up to 3 months to get back from the government.

Attached is the application packet. The cost for the trip is not finalized but is estimated at \$800–1000 based on flight costs. 1/2 payment of \$450 is due at the time of registration, once selected with remainder being due on June 30th. I would recommend sending a letter out to friends and family asking for their support if financial assistance is needed.

I hope you're ready for a great time!! If you have any questions feel free to give me a call or send me an email, I'd love to hear from you!

Talk to you soon,

Stu Collins
