## Camp Rules

A pattern of breaking rules could lead to dismissal. In the event of a dismissal, parents/guardians will be contacted to immediately pick up the student.

### General Rules

- Don't go anywhere alone, take a buddy and a leader
- No coupling off. Don't be alone with your significant other or another person, no matter the relationship status
- Stay in public spaces where a cabin leader or volunteer can see you
- Don't go off the campgrounds or places not reserved for Bethany Students
- Follow the camp schedule and timeline given by camp volunteers and leaders
- No swearing or offensive language
- No camp romances or public displays of affection (PDA)
- Don't bring anything unnecessary to club or rec times. Leave crafts and other items in your cabin or at the craft station (Bibles, notebooks, pens, and water bottles are OK)
- Respect others' personal boundaries, space, feelings, belongings, and time
- No violent behavior (hitting, slapping, punching, tackling, etc.)
- Do not touch, take, or go through other people's belongings
- Do not go into or look into an opposite gender's cabin or any cabin or bathroom you are not assigned to
- Be present at scheduled activities and locations according to the schedule. There will be daily free time to do other activities
- The Common Sense Rule: If you're unsure whether something is allowed or not covered in the rules, ask a leader or the camp director. If you find a loophole and exploit it in a way that could harm yourself or others or violate the spirit of these guidelines, it may result in removal from camp

## Camp Wind-Down Time

- Once lights out begins, it means lights out. Be respectful of others who want to sleep. No talking or making noise that disrupts others.
- No sneaking out or leaving the cabin after lights out
- In the morning before breakfast, stay in cabins or in designated areas (such as the student-led morning devotional or areas near the cabins)

## Items Not Allowed
